

StrategyInterface

```
graph BT; ConcreteStrategyB --> StrategyInterface
```

A UML class diagram illustrating inheritance. At the top is a white rectangular box labeled "StrategyInterface". Below it is a gray rectangular box labeled "ConcreteStrategyB". A vertical blue line connects the bottom of the "ConcreteStrategyB" box to the bottom of the "StrategyInterface" box, ending in a blue triangular arrowhead pointing upwards, indicating that "ConcreteStrategyB" inherits from "StrategyInterface".

ConcreteStrategyB
