

Object::increaseByOne

```
graph LR; A[Object::increaseByOne] --> B[toString]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is light gray with a black border and contains the text 'Object::increaseByOne'. The right box is white with a black border and contains the text 'toString'. A dark blue arrow points from the right side of the gray box to the left side of the white box.
