

SegmentedSieve.cpp

```
graph TD; A[SegmentedSieve.cpp] --> B[iostream]; A --> C[cstring];
```

A diagram illustrating the dependencies of the file SegmentedSieve.cpp. The file name is in a grey box at the top. Two blue arrows point from this box to two white boxes below it, labeled iostream and cstring, indicating that SegmentedSieve.cpp depends on these two standard library headers.

iostream

cstring
