```
classDiagram
    class queuesavitch_PriorityQueue["queuesavitch::PriorityQueue"]
    class queuesavitch_Queue["queuesavitch::Queue"]
    queuesavitch_PriorityQueue --|> queuesavitch_Queue
```

The diagram illustrates a class hierarchy. At the bottom is a white box labeled 'queuesavitch::PriorityQueue'. A blue arrow points upwards from this box to a gray box at the top labeled 'queuesavitch::Queue'. This indicates that 'queuesavitch::PriorityQueue' inherits from 'queuesavitch::Queue'.
