

Facade.cpp

```
graph TD; Facade[Facade.cpp] --> string[string]; Facade --> iostream[iostream];
```

A diagram illustrating the Facade pattern. At the top, a gray rectangular box labeled 'Facade.cpp' has two dark blue arrows pointing downwards to two white rectangular boxes. The left box is labeled 'string' and the right box is labeled 'iostream'. This represents the Facade class acting as a unified interface to multiple interfaces or classes.

string

iostream
